

Testimonial

We have developed a good working relationship with Chris Britto of Pearl Food Limited.

He is honest, sincere and readily available when help is needed.

We can't forget the time when he put us directly in touch with one of the many customers he deals with in Saudi Arabia when we needed product urgently, this helped us maintain continuity in our production which otherwise could have been disrupted.

I have no hesitation in recommending his company.

A handwritten signature in blue ink, appearing to read 'Khaisar Ahmed', with a date '27/5/2021' written below it.

Khaisar Ahmed
