Testimonial

I can honestly say that Chris Britto of Pearl Food Limited is a thorough professional, he has been a great asset to me during the 10 odd years of our association.

His knowledge, experience and expertise of the Middle East markets has helped us in gaining a strong foothold in these markets.

He has strong relationships across the various segments and spectrums of the market be it industrial or wholesale/retail and is highly regarded by his customers.

I have no hesitation in recommending Chris Britto of Pearl Food Limited to anyone who wants to gain a foothold in these markets.
